What will you learn?

- How to design a piece of "living art" – succulents in a handmade frame
- How to take care of succulents and ways to propagate them
- Other decorative uses for succulents – dish gardens, decor

What is included in your registration fee?

- All materials including a handmade frame, live plants, moss and tools to create your design
- Instruction and assistance from Nancy Cody, certified floral designer and President of the Garden Club of Greater Milwaukee, and her helpers
- A donation to the Milwaukee District Garden Clubs to help provide education, resources and networking opportunities to 15 garden clubs in nine counties – Dodge, Jefferson, Kenosha, Milwaukee, Ozaukee, Racine, Walworth, Washington and Waukesha

ADD-ON BONUS

Learn how to create a fall pumpkin decoration with moss, succulents and dried flowers. Materials will be available if you want to make your own as an add-on bonus.
