

**MILWAUKEE DISTRICT GARDEN CLUBS

ARTICLE V **PROTOCOL**

Protocol as we now know is generally being courteous, polite, gracious, treating others as we would like to be treated, using company manners along with recognizing that in meetings of organizations, certain Officers at various levels have rank. The rank is to be considered in seating, introductions, receiving lines, etc. It is an extension of the rules of courtesy. Just as we recognize that when the Mayor of the city comes to our local or district meetings, or the Governor comes to our Region or State Conventions, special honor is given to that rank. We also realize that our Officers are looked upon as having achieved a certain position of honor. In most cases, the higher the rank, the easier it will be to observe all the amenities. Please and thank-you are fine words and we need to utilize them always.

- A. Duties are located on page 9 of the NCG Protocol Handbook located in NGC Convention Manual, under Protocol Chairman, Local or District Meeting.
